Uniform Dress Code

The purpose of the uniform dress code is to ensure that students present themselves in a neat and uniform fashion, **as to NOT distract from the learning process**. Clothes must be "School Uniforms". Uniform catalogs are available. All uniforms must be clean, neat, and hemmed properly.

A student's appearance is NOT to distract from the learning environment. Wearing distracting jewelry, hair styles, hair bandanas, hair color, hair length, or long hair obstructing vision, or excessive make-up are not allowed. There should not be any body piercing decorations with the exception of earrings for the girls.

Uniform violations will be determined at the discretion of the school teachers and Principal. Students that are in violation of the dress code will need to go the storage shed to find the proper uniform and if none can be found, the student will call parents to bring the proper uniform or to take the student home. Repeat offenders will be given after school detention. No uniform should be too short or too tight.
